# ABOUT US

Founded in 2012 by husband-and-wife team, Nick & Kelly, we are the Original Jelly Bag Company, offering a range of retro bags inspired by original designs from times gone by.

The most versatile accessory in any closet, a **Sun Jellies** bag can be used in endless ways and places... go from the beach to the grocery store, from the pool to a farmers market, and from your desk to dinner, in effortless style! Our bags are also great for cute storage solutions around the home, gift baskets, and even party favours!

With the introduction of our new **Rosie Basket**, we are proud to offer 6 iconic bag styles, in a rainbow of colours. Each bag design offers its own nostalgic charm, and together, there is something for everyone.

Plus, brand-new and bang on trend for 2024, our **Itty Bitty Bag Charms** are about to take our Global Jelly Revival to a whole new level! Available to mix and match, these uber cute miniature versions of our most loved bag styles can be used to customise the entire **Sun Jellies** collection, or to add some jelly flair to your keyring!

Take a hop, a skip, and a big joyous leap into our jelly-licious world...
